WE NEED YOUR SUPPORT!!

Name of School’s Outdoor Classroom Day

Day, Date, Start Time – End Time

(Alternate Rain Date: Day, Date)

Name of School is working to develop an outdoor classroom site for our students through the Alabama Outdoor Classroom Program. We will work together to create (list learning stations such as a butterfly garden, song bird sanctuary, raised bed gardens, weather station, and a frog & toad habitat)—all of which will provide learning stations where our students can observe and study wildlife, ecosystems, and nature as they participate in hands-on activities. Volunteer time, funds, and materials for our outdoor classroom are donated by the Alabama Wildlife Federation, a ______________ Grant, our “Name of School” PTA/PTO, and parent and community partners like you.

VOLUNTEERS ARE NEEDED! DONATIONS ARE NEEDED!!

If you would like to assist with the Outdoor Classroom Day on Date, please return this form along with any donations to your child’s teacher by Day, Date (one week before the event).

Volunteer’s Name: __________________________________________________________

If applicable: Student’s Name: ___________________________ Teacher’s Name: ___________________________

Relation to School: ☐ Parent ☐ Grandparent ☐ Guardian ☐ School Volunteer
