

# Alabama Outdoor Classroom Box Turtle Research Program

## Measurement & Annuli Data Form

**\*Annuli Count *is not required* for permit renewal. Measurement data *is* required.**

Use this data form to log your measurements below before submitting it to the “AOC Box Turtle Research Program” webpage at [www.alabamawildlife.org/classrooms/box-turtle-program/](http://www.alabamawildlife.org/classrooms/box-turtle-program/).

**QUICK TIP:** On the AOC Box Turtle Research Program webpage, download and use the “**Instructions for Taking Measurement & Annuli Data**” as a PDF for the students & as a PowerPoint to review as a class.

Identification Information					
<b>Turtle’s Name:</b>					
Class Information					
<b>Teacher’s Name:</b>					
<b>Teacher’s Email:</b>					
<b>Date Data was Taken:</b>			<b>Date Data was Entered Online:</b>		
Measurements					
<b>Carapace length (cm):</b>			<b>Carapace width (cm):</b>		
<b>Plastron length (cm):</b>			<b>Plastron width (cm):</b>		
<b>Shell height at hinge (cm):</b>			<b>Weight (grams):</b>		
Annuli Count					
<i>*This is not required for permit renewal</i>					
<input type="checkbox"/> Review the previous Measurement & Annuli Data that was uploaded for this turtle in your school’s online Box Turtle Research Project to view a photo of the scute that was used for counting the annuli so that you can count the annuli on the SAME SCUTE as before.					
<input type="checkbox"/> Take a photo of that SAME SCUTE and upload the photo with this new measurement data.					
<b># of annuli on first count:</b>		<b># of annuli on second count:</b>		<b># of annuli on third count:</b>	
<b>Average # of annuli: (circle range)</b>	1-3	4-7	8-11	12-15	16-19 20+
