

Basic Needs of Living Things

Name: _____

Draw two living things (1 animal & 1 plant) that you find in your outdoor classroom, and then draw a picture of yourself.

Mark an X next to the things that the animal, the plant, and YOU need to survive.

Mark an X if you can find a source of food, water, air, sun and shelter in your outdoor classroom for the animal, plant and you.

Living Things					
1. Draw an Animal	<u>Food</u> Need it? _____ Find it? _____	<u>Water</u> Need it? _____ Find it? _____	<u>Air</u> Need it? _____ Find it? _____	<u>Sun</u> Need it? _____ Find it? _____	<u>Shelter</u> Need it? _____ Find it? _____
2. Draw a Plant	<u>Food</u> Need it? _____ Find it? _____	<u>Water</u> Need it? _____ Find it? _____	<u>Air</u> Need it? _____ Find it? _____	<u>Sun</u> Need it? _____ Find it? _____	<u>Shelter</u> Need it? _____ Find it? _____
3. Draw You	<u>Food</u> Need it? _____ Find it? _____	<u>Water</u> Need it? _____ Find it? _____	<u>Air</u> Need it? _____ Find it? _____	<u>Sun</u> Need it? _____ Find it? _____	<u>Shelter</u> Need it? _____ Find it? _____
