GUIDELINES

- A cooking team may consist of a group of individuals, a couple, or a single individual. A team may represent a corporation (bank, hunting camp, etc.), restaurant, or simply be a local cook. **AWF is a tax-exempt 501(c) (3) organization. As such, we cannot endorse candidates for political office or participate in/endorse electioneering of any kind.** Teams may have up to 4 members and all 4 members will receive a one year complimentary AWF membership. You must fill out a cook team form to compete and to get your complimentary AWF membership. Each team is encouraged to help sell 5 tickets to the event.
- **AWF Wild Game Cook-Offs are a celebration of the game animals, game birds, and game fish that can be harvested and utilized for food. Therefore, "Wild Game" is defined as fish, fowl, or game that can be found in the wild of North America. We are also celebrating the people who harvest and/or utilize Wild Game for food. Teams are strongly encouraged to utilize fish, fowl or game that they have harvested themselves or have been harvested by other hunters and anglers. However, use of fish, fowl, or game species that are also commercially available does not result in disqualification.**
- There will be trophies awarded for first, second, and third place in three categories: fish, fowl, and game. There will also be an award for "Best Overall".
- **Teams may enter up to one (1) dish in each regular category) but a single team can only win 1st place in one category (see Goals of Wild Game Cook-Offs below). If a team's highest scoring dish wins one of the three categories, it will be in the running for "Best Overall".**
- **The Award for "Best Overall" will go to the cook team with the highest scoring individual dish.** Dishes will be judged on taste and creativity/originality with taste weighted more heavily. Creativity/originality includes imagination, uniqueness, and difficulty of the dish. The "Best Overall" winner earns the right to compete for the title "State Champion" at AWF headquarters in Millbrook at the conclusion of the season.
- We ask the Cook Teams to provide small, "bite sized" samples of food for at least 1/3 of our guests. **Additionally, to be eligible for Cook Team Awards the teams are asked to provide to the public at least 50-75 "Bite Sized" samples of any dish submitted to the judges.**
- A "Best Presentation Award" will go to the cook team with the best decorations and presentation for their cook team area that best reflects the atmosphere of a "Wild Game" Cook-Off. This award will be judged on effort, creativity, and originality. A runner-up award will also be given. Scoring for this category is separate from and has no impact on the judging of fish, fowl, or game dishes submitted to the food judges. All teams are considered for the "Best Presentation Award" regardless of how their dishes score or place in the three categories.
- **Judging takes place prior to the event opening to the public at a time determined by the local committee. *All entries will be submitted in clam shell boxes provided by AWF. No plates or other dishes allowed. Styrofoam bowls w/lids will be provided for soups, stews, etc. Due to the number of cook teams and entries, the time that a particular cook team's entry is picked up will vary.** AWF will make every effort to communicate with the teams as to when their dish will be picked up.
