

# Name of School's Outdoor Classroom Day

## Day, Date, Start Time – End Time

(Alternate Rain Date: Day, Date)

We are working to develop an outdoor classroom site for our students through the Alabama Outdoor Classroom Program that will include (list learning stations such as a butterfly garden, song bird sanctuary, raised bed gardens, weather station, and a frog & toad habitat)—all of which will provide learning stations where our students can participate in hands-on inquiry-based activities. Technical assistance, volunteer time, funds, and materials for our outdoor classroom are provided by the Alabama Wildlife Federation, a \_\_\_\_\_ Grant, our “Name of School” PTA/PTO, and (list any other big partners/sponsors).

Parents/Guardians must return the following consent form by Friday, Month Date (10-14 days prior to event), for your child to participate in the Outdoor Classroom Day on Event Date, (rain date scheduled for Rain Date):

I consent to my child's participation in the Outdoor Classroom Day and to have my child's photo taken and published relative to the event. I understand that all students must wear closed-toed shoes and outdoor clothing to participate. I release Name of School and the Alabama Wildlife Federation from any liability, personal injury, or property damage that might occur from my child's participation in this event.

Name of Child: \_\_\_\_\_ Date: \_\_\_\_\_

Grade: \_\_\_\_\_ Teacher's Name: \_\_\_\_\_

Name of Parent/Guardian: \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_
